2ND CYCLE OF INTERNATIONAL AND INTERDISCIPLINARY WEBINARS

HERALDRY IN TRAVELING EUROPEAN LEGAL MANUSCRIPTS

The 2nd Webinars Cycle "Heraldry in Traveling European Legal Manuscripts" is part of the research project "ManJusEurIt – European Traveling Legal Manuscripts" conducted by Maria Alessandra Bilotta, also linked to activities of the IUS ILLUMINATUM research team (<https://iusilluminata.fcsh.unl.pt>) scientifically coordinated by the same researcher.

The Webinar Cycle is organized by the Institute of Medieval Studies (IEM-NOVA FCSH), together with the IUS ILLUMINATUM research team and in partnership with the Portuguese Heraldry Institute (IPH). This initiative, coordinated by researchers Maria Alessandra Bilotta and Miguel Metelo de Seixas, aims to show the usefulness of the scientific analysis of the presence of heraldic emblems in illuminated manuscripts and legal documents, focusing on those manuscripts and documents that circulated in Europe during the Middle Ages (13th–16th centuries).

This initiative also aims to facilitate synergies between different areas of knowledge and to disseminate the results of research to a wider audience, always maintaining scientific rigor, in order to promote the awareness of the heraldic heritage in manuscripts and in medieval legal documents, drawing attention to the importance of conserving that heritage.
